

OUR STORY

OSHEA

HERBALS

Every plant breaths life and this is what we endeavor to deliver you. We at **Oshea Herbals** consider it as our prime goal & objective to give you a comprehensive range of herbal active cosmetics of world-class with the touch of Vedic science. **Oshea Herbals** has taken up the task of taking back people closer to nature and in this endeavor, we have developed the formulations with botanical extracts. **Oshea Herbals** uses modern cosmetology with bio-active ingredients based on our traditional Vedic system of Ayurveda.

Oshea Herbals products are true herbal formulations. Inspired by the ancient science of life - Ayurveda, each formulation contains active bio-active ingredients. The use of a variety of botanical extracts have a dual function, they serve as cosmetics for care of the body and its parts, and the botanicals ingredients present influence biological functions of the skin and provide nutrients necessary for the healthy skin or hair.

We lay a lot of emphasis on scientific extraction, isolation, and purification of all the herbal extracts. The extracts used in our formulations are sourced from reputable suppliers from India and other parts of the world. By creating a unique combination of world-class technology and our very own ancient Ayurvedic system, we produce herbals cosmetics of unique quality.

Our main aim and goal is to provide maximum care, solution, benefit and satisfaction to every part of skin ,hair and body to all the consumers with a full range of products. With the diversity of 450 + SKUs & at a very reasonable price range, with most products being dermatologically tested by world-renowned labs to ensure the best of quality to our consumer. Our R&D team is always active to deliver a unique and new products, to our consumer.

OUR STORY

LOUIS HERBALS was born from a deep passion for nature and a commitment to holistic wellness. Our journey began with a simple belief: that true beauty and well-being come from a harmonious relationship with nature. Our founders, inspired by the healing power of plants and traditional herbal remedies, sought to create a brand that embodies this philosophy.

With years of experience in herbal medicine, natural skincare and holistic health, our founders combined their knowledge to develop products that not only enhance beauty but also promote overall wellness. They traveled extensively, studying various herbal traditions and sourcing the finest natural ingredients from around the world. This dedication to quality and authenticity is at the heart of everything we do.

The Birth of **LOUIS HERBALS**

Our brand was established with a clear mission to provide natural, effective, and sustainable products that help our customers lead healthier, more balanced lives. We believe that beauty is not just about appearance but also about feeling good in your own skin and being in tune with your body and the environment.
